

FACILITIES ADVISORY COMMITTEE PLANNING CHARTER

The Pecatonica Area School District is committed to making facility decisions that reflect the entire community’s needs. As a result, a thorough recruitment process was completed to ensure the Facility Advisory Committee accurately represented the entire Pecatonica area. Members include parents, seniors, District staff, community and municipal leaders, and business partners.

CHARGE FOR FACILITIES ADVISORY COMMITTEE (FAC)

The Facilities Advisory Committee will support the Pecatonica Area School District and School Board in the review, assessment, and prioritization of identified facilities needs and provide advisory recommendations to resolve these needs as part of a comprehensive long range facilities planning process.

LONG RANGE VISION FOR FACILITIES

The Pecatonica Area School District will continue to be a focal point of learning for the community by offering personalized education opportunities to students and residents. The school will be a source of great community pride, valued and supported by all, attracting new members and economic prospects to the area. Our facilities will:

- Provide safe, supportive, adaptable and creative environments
- Promote productive learning and innovative learners, leaders and citizens of the community
- Encourage collaboration and connectedness among students, staff, parents, and community
- Ensure flexibility for an ever-changing future by providing cost effective, energy efficient, and sustainable solutions
- Engaging students and the community in modernized co-curricular environments

DECISION MAKING

The Facilities Advisory Committee will provide input and guidance to the School Board as they make facility decisions on behalf of the district.
